

Product Name: 3 Speed Capacitor Fan Control and Light Remote Switch

Product Model: BRT-F007

Make your life easy, make your home cozy

Features:

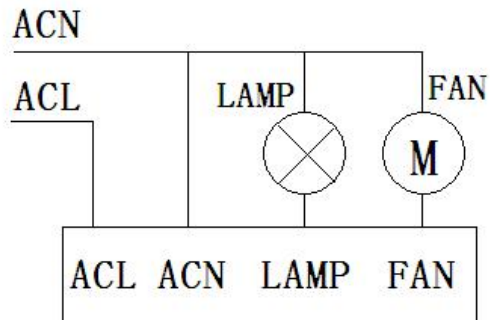

BRT-F007 is a European style wall switch based on capacitor fan control technology that delivers noiseless operation. All control functions available from both the wall switch and the remote control. It has elegant appearance, durable material and easy operation.

- Operates on a 2 wire system, and fits in a standard wall box;
- Good for AC motor and all types of lights;
- Capacitor fan control technology
- Two loads function: one line for motor control, and another line for light control;
- Three-step fan speed function;
- Power failure memory function;
- Infrared remote control function;
- Wallplate uses flame resistance ABS-V0 material for safety;
- Classical 86 series design and easy installation.

Specifications:

Voltage	220~240V(50Hz/60Hz)	Operating Temperature	0℃~55℃
Light Load	150W(maximum)	Relative Humidity	Non-condensing 20-90%
Thickness	43mm	Motor Load	100W(maximum)
Mounting Hole Spacing	60mm	Matching Wall Box	75*75*50mm
Switch Dimension	86*86*43mm	Switch Weight	84g
